- Dr. J. C. Belisario, CMG, CBE, ED, received a CMG for services to medicine in the dermatology field.
- J. K. Donaldson, received an OBE for services to dairying.

Abram Landa, who is the Agent-General for NSW in London, has been made a CMG.

Matthew J. O'Neill received a CBE for services to the community.

Brigadier F. B. Hinton, OBE, MC, ED, received an OBE for services to exservicemen and the community.

- C. R. E. Warren, received an OBE for services to the community.
- J. T. Monaghan, lately Under-Secretary in the Department of Local Government, received an ISO.

The Club is proud to congratulate these members on receiving these honours, and we feel sure they are a just award for services rendered over the years.

#### **FAREWELL PARTY**

Mr. and Mrs. Ken Stevenson recently gave a farewell party for their daughter and son-in-law prior to their departure to live in Cairns. They will certainly enjoy themselves in that lovely warm sunshine up North.

#### CLUB MEMBERS'S FIRM WINS INCINERATION CONTRACT FOR TAHITI

There was cause for celebration when Phil Scholer announced the winning of the Tahiti contract. Twin brother Paul, sales manager, was the first to congratulate him. Noel Lees, chief engineer and foundry director, and Staf Callinan are Club members and share the success.

So it was a happy get-together for all.

## CONGRATULATIONS GRANDFATHER

Well-known and popular member, Sol Green, has recently become a grand-father for the tenth time. His son, who is the happy father, is also a member of the Club, along with his two brothers, Maurice and Leslie. Sol's brother, Israel, is also a member, and by coincidence also has ten grandchildren.

Sol is a regular on the Third Floor, and keeps fit with a swim every morning of the year.

#### ON THE SICK LIST

Andy McGill, who has been a member since 1939, has been in Royal North Shore hospital suffering from pneumonia. He is now on the mend, and friends who wish to visit him are advised that he is in Room 3, of the Theracic Block. We wish you a speedy recovery, Andy.

#### **OVERSEAS**

Club member Sid Parker left recently on another one of many trips overseas. Sid is visiting many countries, including Russia from which country he sends his regards to all at the Club. Sid will eventually stay in his favourite spot, Austria, for some time before returning to Australia—lucky you Sid.

Committeeman Alf Collins received a card from Jock Rorrison from London, Jock went over to see the Derby run and reports that he is having a marvellous time and sends best wishes to all at the Club.

Received a note recently from Edward Joye who says that he has been caught in riots in Japan, America and England, and was even shot at while in America.

In his own words, Edward said that (just before the trouble started) he "escaped Paris in a manner of which the Scarlet Pimpernel would have been proud".

And then, upon landing in Rome, there was a postal strike. It seems that Australia is not such a bad place after all.

#### **RETURNED FROM OVERSEAS**

Committeeman Les Tidmarsh looks fit and well after his trip overseas. Les, along with a lot of other members were away on a racing tour of England and America. In the next issue of T.C.M. a full story with photographs will appear.

#### LUNCHEON FOR RUSS WILLIAMS

A most enjoyable lunch was held on July 9th in the Function Room to welcome him back to the club. Russ, when on a world tour became ill and had to be flown home for a serious operation. All your friends are glad to see you back and recovered from your illness, Russ.

#### ON THE MEND

Members will be pleased to hear that Ray Purves has just left St. Lukes Hospital following a successful operation.

Just before going in, Ray and his wife celebrated their 50th wedding anniversary. Later this year Mr. Purves will be welcomed as a Senior member of 40 years membership.

Many members noticed the absence recently of Bob Stewart, head porter, who has been in the employ of the Club for 39 years, when he was in hospital for a check-up. By the time of going to press, Bob will again have returned to hospital for an operation, and we trust he will not be away for long.

#### **APPRECIATION**

Its nice to receive a compliment now and then and recently when Harry Bernstein, a frequent overseas visitor, stayed at the Club he wrote:

"Thank you very much for your hospitality during my recent stay at the Club. The warmth and well-being prevailing at Tattersall's is more outstanding now than ever during these days of trying world-wide tensions."

We thank you Harry, for those kind

Another of our members recently travelled to America, and these are the words he wrote upon his return:

"I would like to let you know that at the Outrigger Canoe Club in Honolulu, and the New York Athletic Club, I was made very welcome and the facilities made available to me certainly enhanced the enjoyment of my trip.

"I know this is only in line with the reputation these clubs already have with our members, but I thought I would let you know how much I appreciated the arrangements."

Members are reminded to arrange with the office for introductions to affiliated clubs when travelling through America, and as you can see from the above the phone call is worth it.

#### **RETURN TO KOKODA**

On the morning of November 5th, 1967, more than 100 people from Australia, New Guinea and Papua flew into Kokoda to commemorate the retaking of Kokoda in 1942.

Those who had walked into Kokoda 25 years ago received much the same welcome in 1967, and it was remarked that although the comforts weren't there 25 years ago, the friendship of the people was just the same.

In 1934, Club member Bert Kienzle, decided to make his home in the Yodda Valley in New Guinea, although he little knew that eight years later he would be defending that home against the enemy.

Bert, after enlisting with ANGAU, was requested to build a road from Ilolo Plantation to Kokoda. Although optomistic about the job, he was able to organise the supply lines which meant that Australian troops could stay in the field until Kokoda fell, and through the long bitter months of fighting afterwards.

In reports to headquarters, Bert had stressed the need for air drops to supplement supplies for the troops and carriers. Upon arriving at Isurava, more than 7000 ft. up in the fog-shrouded mountains, he found that Kokoda had fallen, and that supplies and ammunition were needed desperately.

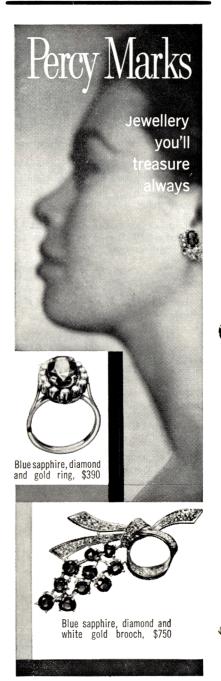

He decided that the only solution would be a dropping ground close to the front, and remembered a clear area on the crest of the ranges. From the air it looked like the beds of dry lakes, and he set out to find the area. For more than two days he and four natives pushed through the jungle, and came upon the two lakes, which he subsequently named Myola Lakes Nos. 1 and 2.

Camp was quickly established, and Myola became an important supply dropping point for troops on the Kokoda Trail. This area was also used for lifting wounded troops from the Trail to Moresby, and the wreckage of the plane used for this purpose still remains there today.

Bert Kienzle's part of the job was done, and he returned to Moresby, his next task being to establish staging points at Templeton's Crossing, Eora Creek, Alola and Isurava.

By the end of the war, Bert Kienzle had been promoted to Captain, and was later awarded an MBE. Today he lives peacefully at Mamba Plantation, content in the knowledge that he has done his duty.

We are indeed proud to have members of the calibre of Bert Kienzle, and we owe more than we realise to others like him who fought and gave their lives for their country.

## Audette Golf Shield Day at Concord Great Success

Members of the Tattersall's Club Golf Club played at Concord in last month's outing.

George Langford, Hcp. 7/5, was in excellent form and played the course three over par to win the trophy.

Conditions were blustery, which made his score all the more meritorious.

The Club spirit was very evident as members lingered on to enjoy the meal following the day's golf.

We would like to point out to members the excellent range of trophies to be played for during the golfing year. Golf members are asked to try and bring a new member along to the monthly events.

Here are the scores in detail from Concord:

Singles Stableford: Winner—George Langford (7/5), 37 points. Runner-up: Roger Lind, (6/5), 34 points on countback.

Four-ball: Winners — Charles Coppa and Terry Forrest, 41 points. Runners-up—Brian Davis and Ted Harris, 39 points on countback.

## A.J.C.'s CHAIRMAN A BIG TURF WINNER

BY C. J. GRAVES, SYDNEY DAILY TELEGRAPH

In the current century of the Australian Turf the most successful Chairman of a principal racing club in the breeding and owning of winning thoroughbreds is the sitting chairman of the Australian Jockey Club, which controls the sport in New South Wales, Mr. Brian Crowley.

## Mr. Crowley has been a member of Tattersall's since 1921.

His horses have won above \$300,000 in prizemoney, including many classics and important races. Of this you might say: "What rare luck", but his knowledge of bloodstock, blood-lines and breeding has played the all important role in this magnificent achievement. As a breeder he worked generations ahead, and, as in the case of Flight and her grandsons, this policy gave him most of his greatest triumphs with Skyline and Sky High.

Queensland had a successful breederowner-chairman, the late Pat O'Shea who bred and owned two Brisbane Cup winners, Canning Queen and Lady Buzzard and many other good horses. Ernest Le Steere, chairman of West Australian Turf Club, besides Perth Cups and many local classics, won Caulfield Cups with Maple and Eurythmic and a great many other races including the Sydney Cup with the latter, L. K. S. Mackinnon, chairman of the Victorian Racing Club, landed a Melbourne Cup with Kingsburgh, and a Sydney Cup with Realm, but the records of these were minor compared with those of Mr. Brian Crowley.

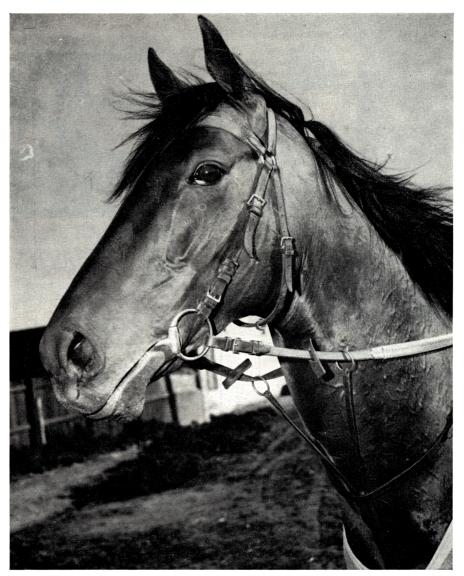

Mr. Crowley is a son of the late Mr. B. H. Crowley, a committeeman and onetime treasurer of our Club, but he had no interest in racing or breeding, and never owned a horse. However his son developed a latent talent for the thoroughbred and this he did to such an extent that he was breeding stock, and training and racing them before he left his teens. He came up the hard way from small picnic and country meetings between Sydney and Brisbane, but soon accumulated an accomplished if small team. In this way he won 370 races! Ever since he has maintained an interest in country and picnic racing with a local team at his New England property, Merrywinebone.

One of his first city ventures was with a grey Blue Blood who came to Sydney to win the famed White Horse Corinthian Cup for amateur riders at Rosehill. Not long after, deciding to establish a small team in the metropolis he made his first

Sydney yearling buy in 1940 when he purchased for 60 guineas a filly by Royal Step from a New Zealand bred mare, Lambent. Because he fell in love with her pedigree it was purely a "catalogue pick." He liked the sire who was by Heroic and also her dam's antecedents On sight he was even more deeply impressed with her conformation, deep chested, big boned and her speed stance. He was surprised there was so little competition and relished the cheap buy.

He named her Flight. She won 24 races, had 19 seconds — most of them close, and nine thirds from 65 starts, leaving only 13 unplaced runs. Her wins included two Craven Plates, two Cox Plates and numerous other weight for age races in Sydney and Melbourne.

She retired at six years. She still had plenty of galloping ability but Mr. Crowley's affection for his mare restrained any inclination to get more wins. He wanted to retire her to the stud retaining some of the vitality which enabled her to outspeed so many swift rivals on the Turf. Unfortunately her breeding fell far below her phenomenal race standard, but she left one daughter who was to become a famous Stud Book matron. Her name was Flight's Daughter. She showed high promise of galloping ability when trained by the late Bayley Payten, but after one third in an early race she was afflicted with a virus. When she recovered Mr. Crowley decided to retire her to stud and he chose foremost stallion of the time, Star Kingdom, as her mate. The result was Skyline, and her next foal, by the same sire, was Sky High. Skyline won

Sky High in a happy mood in the sand-roll at Randwick.

only five races but they included the Golden Slipper and the A.J.C. Derby. He ran the mile and a half of the Derby in 2 28-4/5 which still stands as the record. He also made another record in winning the Hill Stakes weight for age in 1 43½ for 8½ furlongs. These achievements in such swift conditions augured well for a career which might have matched that of Flight's but unfortunately before four years he, too, was hit by a virus which put an end to his superiority on the Turf. He had five wins, seconds and thirds and accumulated \$45,918.

Sky High had 56 race starts, won 29. had 10 seconds and nine thirds and was only unplaced in eight races. A magnificent career because it included the Golden Slipper, and the Victoria Derby in which he led all the way over Flemington's gruelling mile and a half to hold off the final challenge of another great galloper, Persian Lyric. Sky High was endowed with phenomenal speed for a stayer and holds the Australasian record for a mile and a quarter,  $20\frac{3}{4}$ , made at Flemington where he still holds the mile and a half 2 273. He won the 1961 Epsom carrying 9 2 but this did not prevent him running the mile in brilliant time 1 34.3 to beat another great miler, Fine and Dandy (9 4). Sky High won most of the principal weight for

age races, in Sydney and Melbourne some twice, and he even landed the five furlongs Lightning Stakes. A horse capable of winning from five furlongs to  $1\frac{1}{2}$  miles certainly carried the hallmark of quality. All these great achievements earned \$154,310 in Stakes. Grandma Flight, and these two grandsons accumulated \$261,482 in prizemoney. It is interesting to note that Sky High and Skyline are at stud siring a commendable number of successful gallopers.

Mr. Brian Crowley, Chairman, Australian Jockey Club.

Mr. Crowley became a member of the A.J.C. in 1921. In 1944 when Flight was in full bloom as a racing mare he was elected to the committee and in 1962 he became chairman of the committee. A job like his necessitates a lot of hard work, gratuitously given in the cause of racing control under the laws of the Turf. A club is fortunate to have such a sound authority on thoroughbreds, their breeding and running which is of course the basic principle of the Sport of Kings.

Although Mr. Crowley had won 400 races as owner-trainer in the country he followed custom when he decided to race in the city, and Flight went to an old Gunnedah friend, Frank Nowland, who settled in Botany Street, Randwick with a number one licence to prepare his horses at headquarters. Frank died not long after Flight's career ended, and her grandsons Skyline and Sky High went to Jack Green's Randwick stables and soon put him in the forefront among the leading trainers.

When Flight died in the Spring of 1953 at the age of 14 it was a sad day at Merrywinebone. She was stabled near the homestead and spent most of her time in sight of her humans. "It was a sad blow" said her owner. "She had always been one of our family."

## Clovelly "Eskimoes" Entertain Tattersalls Club

On Thursday, June 6 the Clovelly Club were hosts to our club, and this function, by arrangement between the two clubs, was held at Tattersall's, as this venue was most suitable to both clubs. It was a grand night enjoyed by one and all, and to Ernie McDonald, captain of Clovelly, we extend our warmest regards and thanks for a wonderful night and through him to all members of Clovelly we say Thank You. In addition to the social side we also played handball which was most popular and produced some excellent matches.

THE PLAYERS REPRESENTING CLOVELLY WERE:

Ron Evans — Peter Gleeson — Garry Stubbs — Keith Matson — David Murray — Geoff James — Eric Ellean — Ernie McDonald.

THE PLAYERS REPRESENTING TATTERSALL'S WERE:

Norman Rogers — David Morrissey — Syd Kay — Robert Lipman — Frank Burns — Bill Yewdall — Charles Robinson — Michael O'Dea — Don Stait.

VISITORS FROM BOTH CLUBS IN-CLUDED:

(Clovelly) Ron Nichols — Bob Callaghan — Jack Grinham. (Tattersall's) Arthur McCamley — Sam Ogg — Max Sernack.

The competitions were conducted on a Winners and Losers basis. Those who were defeated were relegated into the Losers division and by process of elimination the winners and runners up were decided.

The Winners division finalists were: Norman Rogers (Tattersall's) v Peter Gleeson (Clovelly).

The Losers division finalists were: Robert Lipman (Tattersall's) v Charles Robinson (Tattersall's).

The winners final was one of the best matches I have ever watched. Norman Rogers prevailed in the finish with the score 26-24 after 6 extra services. It was exciting from the outset and Peter was all set to win when he went to a narrow lead near the finish. He led 18/16, then 20/18, but Norm-through sheer brilliant handball and coverage—drew level at 20/20, making a winning lead of two clear points necessary to declare the winner. Peter led 21/20, 22/21, and 23/22, then Norman took the lead at 24/23. Peter drew level at 24/24 and then Norman won two points to win the match 26/24. The roar from the crowd could have been heard in Elizabeth Street. It was terrific and a fitting finale to a grand night of handball.

The Losers final was an "all Tattersall's" final but it could quite easily have been an "all Clovelly" final as both Robert and Charles had very close and hard tussles to become the finalists. This match resulted in a win for Robert. I just forget the scores but it was a fairly comfortable win.

At the finish most of the competitors were fairly exhausted and were looking forward to something in the way of liquid refreshments and a bite to eat. Here Clovelly, in conjunction with Tattersall's catering staff, really excelled themselves and turned it on properly. When everyone was more or less relaxed and contented we settled down to a few stories from one of the company. Cigars, cigarettes, coffee and liqueurs; what could be better? Thank you very much "Eskimoes" and we look forward to the time when we can return the compliment.

In the meantime we are still running our ordinary events—Finalists for the "Good Idea" trophy are Norman Rogers v. Ken Glass.

Finalists for B grade are Robert Fisher v. Bill Orme, while in A grade the finalists have not yet been decided. I will report on these next month.

CORRECTION

Last month I gave the result of the match between Bill Hannan and David Morrissey as a win for Bill. This was not correct. The winner was David Morrissey 31/24, and I wish to apologise to both these competitors and to offer my congratulations to David as the winner.

#### **GYM CAPERS**

Boy oh boy! Are the chaps really keeping fit! Young and old are flocking to this very popular section. I noticed Oswald Sealy snr. having a massage the other day and enjoying it immensely: Ian Jacoby is another regular these days; Bill Kirwan is right on the ball but misses Sam Block for his hand ball work out; Jack Shaffran using the vibrator looked fit; Gordon Salier is trying his strength on the weight lifting; Dr. Lenehan is also a regular these days; a new rival for John McKell; Bill Henneberry and Malcolm Fuller were on the speed punching ball with none other than my good friend Les Foley. I watched him for five minutes the other day and can he speed it up. Anyhow, chaps, keep it up and don't forget to have a rub down afterwards — Very reasonable & very good for you. The masseurs will be only too pleased to see vou. Cheerio.

Basil Phillips made a late run in the swimming season to win his first monthly point score in May-June with  $26\frac{1}{2}$  points, ahead of John Brice, 25, and Jim Comans,

It was good to see Basil retaliate and take out his first trophy since joining the club as he enjoys his racing and goes all out to get the judge's nod at the finish.

With only two events to be swum before the 1967/86 season finishes, Frank Falson looks an "odds-on" certainty to take out the "Native Son" trophy presented annually by Bill Kirwan for the swimmer who scores most points during the season.

Frank has a handy lead of ten points over consistent Dan O'Connor with Roger Clark a further six points away in third place, two ahead of Jim Comans. Frank and Dan have been see-sawing in front for most of the season but it does look now that Frank has the trophy in his

keeping.

Incidentally Frank is a keen water polo follower and at the recent annual meeting of that body he was elected Chairman of Council. It is worthy of mention that David Cohen, one of Tattersall's really good swimmers, is Hon.

Secretary of that body.

The battle for the last point score trophy of the season is a mighty keen one with two events to complete it as Berry Innes leads Robert Hill and Leigh Bowes by a point. Berry has a job ahead of him to keep in front having lost a second off his handicap but he is going so well that he will take some beating.

Just about the time this issue of T.C.M. is published the 40 yards Championship of the Club will have been swum and won. Heats are listed for Tuesday, 9th July and final for Thursday, 11th July, all events starting at 1.15 p.m. Winner for the past few years has been ex-world champion, John Devitt, and he will take beating any time. David Emanuel, Terry Gathercole and Paul Blake have been doing well in their races and are always well in the picture in the title race.

Just to show how the boys are going let us have a look at the fastest winning times during the past month—18.8 secs. John Devitt, 19.8 Paul Blake, 19.9 T. Gathercole, 20.1, 20.2 and 20.7 Norm Rogers, 21 Ian Ross, 21.1 Robert Hill and 21.2 Bruce Cox.

Terry Gathercole is leaving us to take up a coaching job in West Texas, U.S.A. on 15th July. Sorry to lose him, but all the boys wish him and his family the best of luck in his new career.

Our popular parliamentarian, Fred Daly, had a few days away from Can-berra in June, and showed that he had not forgotten how to swim as he gained wins in a heat and a final of a 40 yards handicap. Furthermore he beat his handicap time by a second and a half. Fred was really delighted with his form and the reception he received.

New members continue to join up even this late in the season. Rex McDermott and A.S. Dawson were latest to come along, the latter winning a heat first up.

It is not often that Norm Rogers misses a race but he was really disgusted with himself when he thought that the Tuesday after Queen's Birthday holiday was a Monday and he did not turn up at the Club.

The average number of starters in the last four events was thirty six so there is no lack of support for the swimming.

At the same time the boys are not getting any slower as Bill Yewdall, John Brice, David Dind, Berry Innes and Fred Daly broke their times and had their handicaps reduced a second, while lan Ross went so well that his handicap was cut down a couple of seconds. Ian is going particularly well as is shown by his heat win in the speedy time of 21

## All Eyes on the 'Bull Ring'

With our 1968 Billiards & Snooker Tournaments well under way, our main club room is once more the centre of attraction with keenly fought contests being the order of the day, every day except race days.

This year's crowds are well up to standard, nevertheless, there is ample room for more members to enjoy the entertainment and excitement that these tournament games invariably provide. For instance, what more thrilling encounter and the year's greatest upset to date could be envisaged than Frank Roberts' Black Ball defeat of the highly favoured Bob Lavigne?

There's plenty more of this going to happen — so stop by and take a look!

## INTER-CLUB SNOOKER COMPETITION—1968

We are happy to report that Tattersall's Snooker Team has got away to a flying start in this year's contest.

The scoreboard reads: Played 2 — won 2

We defeated Imperial Services at their Club, and N.S.W. Sports Club suffered a similar fate at our Club.

Needless to say, we hope to keep up the good work and bring back the championship shield to where it really belongs.

## LYNWOOD COUNTRY CLUB

Since the date of the last Report in the Magazine on the proposed formation of Lynwood Country Club, the Country Club Committee has been active in investigating ways and means of financing the acquisition and development of this property.

As indicated earlier, the Country Club will offer various sporting amenities which would enable members to participate in their favourite pastime with the added attraction of members' families being able to enjoy the Club facilities.

Sporting attractions planned for the Club include golf, water-skiing, bowls, tennis, horse-riding and various indoor sports including billiards and tabletennis etc.

The total estimated cost of the project including the acquisition of the property, development of a quality nine-hole completely watered golf course and the establishment of a bowling green and tennis court, has been estimated at \$230,000.

The Country Club Committee is extremely conscious of the total cost of this project but confidently anticipate that it can be adequately financed provided the support of Tattersall's Club members is received.

It has been conservatively estimated that a minimum of 400 members will be needed to acquire and develop the Country Club. Based on financial advice received, the assessed entrance fees and annual subscriptions are as under:—

Foundation Members (who will be relieved of the payment of any Entrance Fees to the Club)—a donation of \$100 or more.

Entrance Fees payable by Members other than Foundation Members \$150.

Annual Subscription \$100.

These fees are moderate when one considers the immense advantages and pleasure associated with being a member of a Country Club, which it must be appreciated, is only 40 miles from Sydney G.P.O.

It is intended to circularise Sydney members of Tattersall's Club within the next fortnight, enclosing full details and application forms for membership. Interested country members are earnestly invited to participate in the Country Club and application forms can be obtained from the following address:—

Lynwood Country Club, Suite 1, 8th Floor, 17 O'Connell Street, Sydney 2000.

The Country Club Committee is quite confident that members will appreciate the tremendous potential and distinct advantages in being a member of the Country Club and seek your close cooperation in this venture.
